WRAPS

Spider Wraps™

Spider Wraps and Alarm-Secured Spider Wraps are a standard in high-shrink security. Spider Wraps provide security for small to extra-large packages and provide an excellent visual deterrent.

S3 Spider Wraps Provide:

- Thin, sleek design that won't impede graphics
- 7-strand steel aircraft cable for tough protection
- Flip-up top winder for a secure fit
- Reusable and easy to use
- Alarm-Secured Technology
  - Early detection with amplified alarm (95 Dba)
  - Strong visual deterrent with flashing alert

Flexible enough to secure a range of products:

- Small electronics & appliances
- Audio box sets • Hand tools • Software
- Video game hardware & accessories
- Clamshell packaged merchandise

Patented S3 Key
One small, secure, simple-to-use key unlocks the entire line of S3 products.
